We are always looking for parents to get involved with coaching the game of soccer. We have members of the board along with Paul Nolette who are available to teach and guide new coaching staff. The Sanford Soccer Association also supports the training of coaches by sending them to licensing clinics. If you are interested, please contact Christine Soule (324-7561) or Adam Tarbox (490-1321).

LITTLE KICKERS

Each player receives a ball and shirt and meet 4 times during the season. The goal of Little Kickers is to introduce soccer to four year olds in a fun way. Parents join their child for part of practice. New for 2009, the Challenger Trainers will coach L. K. If you have any question please call Ray Grogan at 324-0112.

RECREATIONAL SOCCER

Recreation soccer is a non-competitive program for ages 5-18. It offers a safe and fun atmosphere for children to learn the basic skills of soccer. The teams are coached by volunteers. We encourage our coaches to attend local clinics and licensing courses to become more experienced in coaching soccer. Questions about recreation soccer should be directed to Adam Tarbox (nygiants@metrocast.net) ages 5-8, or Christine Soule (soule6@metrocast.net) for ages 9-14. We look forward to seeing everyone out on the field in the Fall!

CLUB/TRAVEL SOCCER

Club/Travel soccer is a separate division from the more familiar Recreation Soccer Program. Club is for the soccer player that is looking for a higher level of competition and more opportunities to play the game. Club starts with U9 and ends with U14.. Club practices twice a week and one practice is with a professional trainer, they also will play one or two games on Sunday afternoons. Teams travel to other local towns to play, not usually more than a half hour's drive. At least half of the games are played right here in Sanford at Shaw Field. Club has an annual Columbus Day Tournament right here in Sanford, which attracts 100 or more Club teams from around New England. If you have any questions in regards to Club Soccer, please contact Chris by email at littlefield@metrocast.net or call at 324-2451.

CHALLENGER SOCCER CAMP

The SSA offers a soccer camp every August for one week, provided by Challenger Sports. They work on many skills, their main focus being ball control. All of this is learned through fun games and competitions. By the end of the week, the kids have learned valuable soccer skills and have been exposed to some British culture! This year the camp runs from August 3rd through August 7th at Shaw Field, with a **free** coaching clinic held on Aug 8th.
